

SDSVH School Song

MUSIC BY: Doris Atteberry

WORDS BY: Rochelle Foley

From across fair South Dakota,
We have come to work and play.
We will proudly stand together
As we go along the way.
We'll honor our school
Though days be dark or bright,
And wherever we may travel,
S.D.S.V.H. will be our guiding light.

To our school we will ever
Lift our voices in praise.
And we pledge her our allegiance
And will high her banner raise.
Through joy and through sorrow,
She has been a shelter bright.
And wherever we may travel,
S.D.S.V.H. will be our guiding light.
